\*EXAMINER: Initial if reference considered, whether or not citation is in conformance with MPEP 609. Draw line through citation if not in conformance and not considered. Include copy of this form with next communication to Applicant.

<sup>1</sup>Applicant's unique citation designation number (optional)

<sup>2</sup> See Kind Codes of USPTO Patent Documents at [www.uspto.gov](http://www.uspto.gov) or MPEP 901.04.

<sup>2</sup>Enter Office that issued the document, by the two-letter code (WIPO Standard St.3)

<sup>4</sup>For Japanese patent documents, the indication of the year of the reign of the Emperor must precede the serial number of the patent document.

<sup>6</sup>Kind of document by the appropriate symbols as indicated on the document under WIPO Standard ST.16 if possible.

\* Applicant is to place a check mark here if English language translation is attached.

The collection of information is required by 37 CFR 1.97 and 1.98. The information is required to obtain or retain a benefit by the public which is to file (and by the USPTO to process) an application. Confidentiality is governed by 35 U.S.C. 122 and 37 CFR 1.14. This collection is estimated to take 2 hours to complete.

Instructions: Complete this form and attach to the application. If you are filing a provisional application, you must also file a copy of this form with the application. If you are filing a non-provisional application, you must also file a copy of this form with the application. If you are filing a continuation-in-part application, you must also file a copy of this form with the application. If you are filing a divisional application, you must also file a copy of this form with the application. If you are filing a reissue application, you must also file a copy of this form with the application. If you are filing a correction application, you must also file a copy of this form with the application. If you are filing an appeal application, you must also file a copy of this form with the application. If you are filing a petition application, you must also file a copy of this form with the application. If you are filing a motion application, you must also file a copy of this form with the application. If you are filing an objection application, you must also file a copy of this form with the application. If you are filing a request for reconsideration application, you must also file a copy of this form with the application. If you are filing a request for rehearing application, you must also file a copy of this form with the application. If you are filing a request for review application, you must also file a copy of this form with the application. If you are filing a request for rehearing in the Federal Circuit, you must also file a copy of this form with the application. If you are filing a request for review in the Federal Circuit, you must also file a copy of this form with the application. If you are filing a request for rehearing in the Supreme Court, you must also file a copy of this form with the application. If you are filing a request for review in the Supreme Court, you must also file a copy of this form with the application. If you are filing a request for rehearing in the Supreme Court, you must also file a copy of this form with the application. If you are filing a request for review in the Supreme Court, you must also file a copy of this form with the application.
